## Profile Summary

---

I am a versatile individual with experience across industries such as retail, restaurants, security, and logistics. Pursuing a degree in **Systems Development at University West**, I have honed skills in programming languages like **Java**, **C#**, and **PHP**, as well as **front-end** and **mobile application development**. My strong foundation in **data structures**, **algorithms**, and **database management** is paired with adaptability and a drive to excel in **fast-paced environments**. I am eager to apply my **technical** and **problem-solving** skills to innovative projects and make a meaningful impact.

## Education

---

<b>University West</b>	<b>2023 - 2026</b>
Systems Development - IT and society	Trollhattan, SE

- My current education as a Systems Developer has enhanced my skills in various programming languages, including **Java**, **C#**, and **PHP**, as well as **front-end development** and **mobile applications**. I have also developed expertise in **data structures**, **algorithms**, **testing** and **debugging** methods, as well as **databases** and **SQL**.

<b>University West</b>	<b>2018 – 2019</b>
Network Technology and IT-security	Trollhattan, SE

- During my education, I gained insight into how **data communication** operates and developed a modern approach to security to address constantly evolving threats, such as data breaches and digital identity theft. I learned to work with **networks**, **firewalls**, **routers**, and **security measures**, focusing on **planning**, **configuring**, and **maintaining network infrastructure** to ensure stability and efficiency for effective communication and information exchange, primarily through coding.

## Experience

---

<b>Part-time Substitute Teacher (Preschool)</b>	<b>May 2024 - Present</b>
Trollhättans Stad	Trollhattan, SE

- Assist with daily activities and promote a safe, supportive learning environment.

<b>Warehouse Worker</b>	<b>May 2021 – On leave</b>
Varner Retail Logistics AB	Trollhattan, SE

- Operate in a rapidly changing environment and take initiative during crises to ensure swift and accurate resolutions.
- Hold a **specialist role**, responsible for training operators in my department and assisting with **problem-solving**.
- Acted as a **substitute assistant production manager** in the e-commerce department, where I delegated tasks and supported operators with questions and issues.

<b>Security Guard</b>	<b>Apr 2021 – Jun 2021</b>
Securitas	Trollhattan, SE

- Worked with a strong work ethic, professionalism, and the ability to operate in a fast-paced and ever-changing environment.

<b>Restaurant Crew Member</b>	<b>Sep 2019 – Apr 2021</b>
Max Burgers AB	Trollhattan, SE

- Took orders, handled the cash register, cooked food, and performed warehouse tasks like receiving and packing deliveries.

<b>Store Assistant</b>	<b>Sep 2017 – Jan 2018</b>
Coop Forum	Trollhattan, SE

- Temporary position involving tasks such as cashier work, customer service, and restocking.
